ALL ABOUT ELMA

It was in 1997 when a handful of enthusiast entrepreneurs belonging to Electronic Manufacturing Industry of West Bengal, joined hands together to form an association for the common cause of the development of the electronic industry in eastern part of India and providing better service to the end users..... [more](#)

VISION & MISSION

Founding Common knowledge based research laboratory for quality assurance with competitive price;

Interact and inter-exchange with similar forum for knowledge and technology sharing;

[Read more in details](#)

NEWS DESK

ELMA has taken keen initiative to address the employment of issue of the students completing degree or diploma in Electronics and seek guidance from the veterans to build their career. The existing electronic industry on other hand looks for successful students to join them. ELMA aspires to make a good conjugation between the two segments. [more](#)

STUDENT'S CAREER

ELMA has made this site a place for registering Resuma of the Students studying the final year of their Diploma or Degree in Electronic Engineering. ELMA does not provide employment, neither gives guarantee for employment. Intention is to conjugate between employment seekers and employment generators giving scope to both to choose their counterpart..... [Read more details](#)
